

**CURRICULUM VITAE**

**Martin Allan Koyle, M.D., F.A.A.P., F.A.C.S.**

**ADDRESSES:** The Children's Hospital, Box 463  
1056 East Nineteenth Avenue  
Denver, Colorado 80218

Campus Box C-319  
The University of Colorado  
Health Sciences Center  
4200 East Ninth Avenue  
Denver, Colorado 80262

**TELEPHONES:** Office: (303) 837-2680  
Home: (303) 377-3646  
FAX: (303) 864-5572  
E-mail: [marty.koyle@uchsc.edu](mailto:marty.koyle@uchsc.edu)

**BIRTHDATE:** May 8, 1952  
**BIRTHPLACE:** Winnipeg, Manitoba, Canada  
**CITIZENSHIP:** Canadian, Permanent Resident of USA  
**MARITAL STATUS:** Married (P. Ellen Canfield, M.D.)

**EDUCATION:**

- 1970-72 ..... **University of Manitoba, Winnipeg**  
Pre-med., Mathematics major (two years)
  
- 1972-76 ..... **University of Manitoba, Winnipeg**  
Faculty of Medicine M.D., June 1976
  
- 1976-77 ..... **Los Angeles County-USC Medical Center**  
Internship - Flexible Surgery
  
- 1977-78 ..... **University of Manitoba, Winnipeg**  
Health Sciences Center  
Residency - Surgery (18 months)
  
- 1980-81 ..... **Harvard Program in Urology**  
(Longwood Area) Brigham and Women's Hospital, West Roxbury VA

Hospital, Beth Israel Hospital and Children's Hospital Medical Center.  
Boston. Junior Resident in Urology

- 1981-82** ..... **Pacific Medical Center, San Francisco**  
University of California, Davis and Harvard Program in Urology.  
(Longwood Area). Fellow, Organ Transplantation
- 1982-83** ..... **Harvard Program in Urology**  
(Longwood Area) Boston. Senior Resident in Urology
- 1983-84** ..... **Harvard Program in Urology**  
(Longwood Area) Boston. Chief Resident in Urology
- 1984-85**..... **UCLA School of Medicine, Los Angeles**  
Special Fellow in Pediatric Urology

**ADDITIONAL TRAINING & CERTIFICATION:**

- 1991**..... **Lasers In Urologic Surgery.** Harvard Medical  
School. Boston, MA.
- 1993**..... **Pediatric Endourology and Laparoscopy.** Harvard  
Medical School. Boston, MA.
- 2004**..... **MBA Certificate.** A.B. Freeman School of Business,  
Tulane University. New Orleans, LA.

**FACULTY APPOINTMENTS:**

- 1984-89** ..... **Assistant Professor of Surgery/Urology**  
UCLA School of Medicine. Los Angeles, California.
- 1984-89** ..... **Associate Chief, Division of Urology**  
Director, Pediatric Urology and Renal Transplantation  
Harbor/UCLA Medical Center. Torrance, California.
- 1989-96** ..... **Associate Professor of Surgery/Urology**  
(with tenure) The University of Colorado School of Medicine.

Denver, Colorado

**1991- Present .... Chairman, Department of Pediatric Urology**  
The Children's Hospital. Denver, Colorado.

**1996-Present .....** **Professor of Surgery/Urology and Pediatrics**  
(with tenure) The University of Colorado School of  
Medicine. Denver, Colorado.

**2000-Present .....** **Vice-Chief Division of Urology**  
Department of Surgery, The University of Colorado  
School of Medicine. Denver, Colorado.

### LICENSES:

**1976-Present:** Licentiate Medical Council of Canada (43,896)  
**1977-Present:** California (A031672)  
**1979- 2002:** Texas (F35-25)  
**1989-Present:** Colorado (29391)

### BOARD CERTIFICATION:

**1986 (Feb.)** American Board of Urology (8863)  
**1994, 2004 (Feb.)** Re-certified American Board of Urology

### HOSPITAL & UNIVERSITY COMMITTEES:

**1990-97** **Quality Assurance** Committee  
The Children's Hospital.  
Denver, Colorado.

**1991-93** **Cancer** Committee  
Rose Medical Center.  
Denver, Colorado.

**1991-Present** **Operating Room Advisory** Committee  
The Children's Hospital.  
Denver, Colorado.

**1991-Present** **Surgical Chair's** Committee

	The Children's Hospital. Denver, Colorado.
<b>1992-1993</b>	<b>Medical Board</b>
<b>1994-1996</b>	The Children's Hospital.
<b>2000-Present</b>	Denver, Colorado.
<b>1992-1995</b>	<b>Medical Records</b> Committee The Children's Hospital. Denver, Colorado.
<b>1993-Present</b>	<b>Credentials</b> Committee The Children's Hospital. Denver, Colorado.
<b>1995-97</b>	<b>Executive</b> Committee The Children's Hospital. Denver, Colorado.
<b>1995-1996</b>	<b>Search</b> Committee Chairman of Pediatric Surgery, The Children's Hospital. Denver, Colorado.
<b>2002-Present</b>	<b>Contracts</b> Committee University Physicians Inc. (UPI) University of Colorado School of Medicine Denver, Colorado
<b>2005- Present</b>	<b>Surgery Advisory (Promotions &amp; Tenure) Committee,</b> <u>Chairman</u> Department of Surgery University of Colorado School of Medicine Denver, Colorado

#### HONORS AND AWARDS:

<b>1970-71</b>	University of Manitoba <b>Dean's Honor Roll</b>
<b>1971-72</b>	University of Manitoba <b>Dean's Honor Roll</b>
<b>1975-76</b>	University of Manitoba <b>Vice-Stick</b> (Vice-President)

Medical Students' Association

- 1988 Selected for **Who's Who** in California
- 1988 **Productivity and Quality Award**,  
County of Los Angeles, Department of Health Sciences
- 1996 Selected for **The Best Doctors in America**
- 1996 **Preceptor Appreciation Award**,  
University of Colorado Child Health Associate /  
Physician Assistant Program
- 2000 Selected Member **National Register of Who's Who**
- 2001 Selected for "**America's Top Doctors**"
- 2002 "
- 2003 "
- 2004 "
- 2005 "
- 2002 Selected for "**America's Registry of Outstanding Professionals**"
- 2001 Selected for "**Castle Connolly Guide to America's Top Doctors**"
- 2002 "
- 2003 "
- 2004 "
- 2005 "
- 2003 Selected "**Colorado Physician of the Year**" by the Colorado Rocky Mountain Chapter of NAP NAP ( National Association of Pediatric Nurse Practitioners
- 2003 Selected "**Outstanding Teacher Award**" by the University of Colorado Medical Student Council
- 2004 Selected for "**Best Doctors in America**"
- 2004 Selected in 5280 Magazine for "**Best Doctors in Denver**"
- 2005 Selected for "**Who's Who in Science and Engineering**"
- 2005 Selected for "**Who's Who in American Education**"

- 2005 Selected for “**Leading Health Professionals of the World 2005**”
- 2005 Awarded Honorary Member of the **Colombian Urological Association**

**RESEARCH HONORS AND AWARDS:**

- 1987 First Prize, Joseph F. MacCarthy Essay Contest, Western Section, American Urological Association (AUA). Entitled "Cyclosporine Inhibits Testosterone Biosynthesis in the Rat Testis." Kona, Hawaii. (Laboratory Research Prize.)
- 1988 First Prize, Los Angeles Urological Association Residents Research Prize, Matthew Wilner. Entitled "The Effect of Prolactin on Allograft Survival." Los Angeles, California. (Laboratory Research Prize)
- 1989 First Prize, Miley Wesson Resident's Essay Contest, Western Section, American Urological Association, Matthew Wilner. Entitled "The Effect of Hypoprolactinemia and Cyclosporine on Cardiac Allograft Survival." Scottsdale, Arizona. (Laboratory Research Prize).
- 1989 Second Prize, Poster Session, Western Section American Urological Association: Frazier B, Koyle MA, Sender MB, Rajfer J, Barba L and Ward HJ. Entitled "En Bloc Transplantation of Kidneys Less Than 24 Months of Age." Scottsdale, Arizona. (Clinical Research).
- 1989 Sandoz Fellowship, American Society of Transplant Surgeons: Wilner M, Ettenger RB, Koyle MA and Rosenthal JT. Entitled "The Effect of Hypoprolactinemia on Allograft Rejection." Chicago, Illinois. (Laboratory Research).
- 1993 T. Leon Howard Award  
Second Prize  
American Urological Association  
(South Central Section)
- 1994 T. Leon Howard Award  
First Prize  
American Urological Association  
(South Central Section)
- 1994 Pfizer Visiting Professor  
University of California/Irvine  
Orange, California

## **MEMBERSHIPS, OFFICES AND COMMITTEE ASSIGNMENTS IN PROFESSIONAL SOCIETIES:**

<b>1985-1993</b>	Member, American Fertility Society
<b>1985-Present</b>	Charter Member, Urologic Society for Transplantation and Vascular Surgery (USTVS)
<b>1986-Present</b>	Charter Member, Western Association of Transplant Surgeons (WATS)
<b>1986-Present</b>	Charter Member, Genitourinary Reconstructive Surgeons (GURS)
<b>1987-Present</b>	Member, Society of University Urologists (SUU)
<b>1987-1989</b>	Member, Western Section, American Urological Association (AUA)
<b>1987-Present</b>	Charter Member, Pacific Rim Association for Pediatric Urologic Surgery (PRIAPUS)
<b>1987-Present</b>	Member, Society for Pediatric Urology (SPU)
<b>1987-Present</b>	Member, American Society of Transplant Surgeons (ASTS)
<b>1987-Present</b>	Fellow, American Academy of Pediatrics (FAAP)
<b>1987-Present</b>	Member, Transplantation Society
<b>1987-Present</b>	Member, American Urological Association (AUA)
<b>1987-Present</b>	Charter Member, The Society for Young Pediatric Urologists (SYPU) / American Association of Pediatric Urologists (AAPU)
<b>1987-Present</b>	Fellow, American College of Surgeons (FACS)
<b>1987-Present</b>	Member, Wee Willies
<b>1990-Present</b>	Member, South Central Section, American Urological Association (AUA)
<b>1991-1994</b>	Member, American Lithotripsy Society
<b>1991-1993</b>	Member, University Urologic Forum
<b>1991-Present</b>	Member, Children's Cancer Group / Children's Oncology Group
<b>1991-Present</b>	Member, Surgical Discipline Committee Children's Cancer Group / Children's Oncology Group

<b>1991-1997</b>	Member, Germ Cell Cancer Committee Children's Cancer Group
<b>1993-1994</b> <b>1999-2000</b>	Nominating Committee, South Central Section, American Urological Association
<b>1993-1994</b>	Future Meetings Committee, South Central Section, American Urological Association
<b>1994-1995</b>	Chairman, Future Meetings Committee American Urological Association, (South Central Section)
<b>1994-Present</b>	Medical Advisory Committee Colorado Organ Recovery Systems, (Denver, Colorado)
<b>1995-Present</b>	Member, Societe Internationale d'Urologie (SIU)
<b>1996-Present</b>	Advisory Committee, Office of Education American Urological Association
<b>1996-Present</b>	Member, European Society for Pediatric Urology (ESPU)
<b>1996-Present</b>	Member, British Association of Urological Surgeons (BAUS)
<b>1996-1998</b>	Ad Hoc Committee for Pediatric In-Service Examinations American Board of Urology
<b>1997-Present</b>	Delegate, Health Policy Council American Urological Association, (South Central Section)
<b>1997-2001</b>	National Planning Committee / Program Committee (Annual Meeting), American Urological Association
<b>1998-Present</b>	Executive Council, Director of Development Society for Pediatric Urology
<b>1999-Present</b>	Nominating Committee, Member at Large South Central Section, American Urological Association
<b>1999</b>	Local Arrangements Chairman, International Continence Society, International Children's Continence Society Meeting
<b>1999</b>	Program Committee, AAP Annual Convention
<b>1999-Present</b>	Chairman, Movies Session, South Central Section AUA

<b>2000-Present</b>	National Task Force on Intersex (NATFI), Executive Council
<b>2000-Present</b>	Membership Committee, International Pediatric Endosurgery Group (IPEG)
<b>2000-Present</b>	Residents Program Committee, South Central Section of the AUA
<b>2001-Present</b>	Pediatric oncology committee of the American Academy of Pediatrics and the Society for Pediatric Urology
<b>2001-Present</b>	Manpower committee of the American Academy of Pediatric and the Society for Pediatric Urology
<b>2201- 2003</b>	President-elect, Society for Pediatric Urology
<b>2002- 2003</b>	Audiovisual Committee of the American Urological Association
<b>2002- Present</b>	Member, Canadian Urological Association
<b>2002- 2005</b>	Secretary-Treasurer of the American Association of Pediatric Urologists
<b>2002- 2006</b>	Member, Coordinating Council for Pediatric Urology
<b>2003- 2004</b>	President, Society for Pediatric Urology
<b>2004- 2006</b>	Secretary-Treasurer, Rocky Mountain Urological Society
<b>2004- 2007</b>	Board of Directors, South Central Section American Urological Association
<b>2005- 2007</b>	President- Elect, Rocky Mountain Urologic Society
<b>2006- 2007</b>	President, American Association of Pediatric Urology

**RESEARCH SUPPORT:**

**1984-1989:**

Research Committee, Professional Staff Association, Harbor/UCLA Medical Center, Torrance, California. "Effects of Cyclosporine on the Male Endocrine and Reproductive System," Principal Investigator - (\$9,000)

**1986-1989:**

NIH 1R01DK 37895-01. "Donor Clonal Deletion for Transplantation," Co-Principal Investigator - (\$83,518)

**1987-1989:**

Cook Urological Inc. "Transurethral Balloon Dilation of the Prostate (TUDP)," Principal Investigator - (\$8,000)

**1987-1989:**

Sandoz Research Institute. "Immunosuppression with Bromocriptine and Cyclosporine in Rat Heart Allografts," Co-Principal Investigator - (\$13,607)

**1988-1989:**

Research Committee, Professional Staff Association, Harbor/UCLA Medical Center. Torrance, California. "The Effect of Cyclosporine on the Prepubertal Male Rat Reproductive System," Principal Investigator -(\$3,000)

**1988-1989**

Miles Pharmaceuticals. "Prospective, Active Controlled, Non-Blind Randomized Comparison of Ciprofloxacin and Trimethoprim/Sulfamethoxazole in the Prevention of Urinary Tract Infection in Renal Transplant Patients," Principal Investigator - (\$100,000)

**1993-1994**

Protocol 22905793(08)1E. University of Colorado School of Medicine Academic Enrichment Fund. "The Effect of a Gastric Patch on Ureterosigmoidostomies," Principal Investigator - (\$12,000)

**1998 - Present**

Mentor. "Study of the Safety and Efficacy of the Mentor Saline-filled Testicular Prosthesis," Principal Investigator (COMIRB 00-690)

**1999 - Present**

Bayer Pharmaceuticals. "Ciprofloxacin in Complicated Pediatric Urinary Tract Infections," Principal Investigator

### **2001-Present**

ALZA Pharmaceuticals. "Ditropan XL in Children with Neurogenic Bladders," Principal Investigator

### **2001-Present**

Q-Med: An Open, Non-Randomized Multicenter Study in Children With Vesicoureteral Reflux Grade II-IV Receiving Endoscopic Correction With Deflux. Principal Investigator (COMIRB 01-290)

### **2003-Present**

Mentor Corporation: Study of the Safety and Effectiveness of the Mentor Soft-Solid Testicular Prosthesis. Principal Investigator (COMIRB 00-690)

## **TEACHING ASSIGNMENTS**

- UCLA Third-Year Surgery Student Curriculum Committee Lecture Series: Organ Transplantation, Pediatric Urology, Urinary Tract Calculi, Urinary Tract Infections
- UCLA Fourth-Year Surgery Advanced Clinical Clerkship
- University of Colorado, Senior Elective in Pediatric Urology
- Urology Preceptorship Program for Foreign Urologists, University of Colorado
- Preceptorship Program, University of Colorado Health Sciences Center, 1994, 1995, 1996 and 1997
- University of Colorado CHA-PA surgical preceptor

## **ADVISORY BOARD:**

Bayer Pharmaceuticals 1994 – Present

## **PROGRAM / COURSE DIRECTOR**

The Current Status of Renal Transplantation - 1986. Los Angeles, California. April 19, 1986.

Pediatric Urology for the Practitioner. Denver, Colorado. July 15-19, 1991.

Pediatric Urology Winter Forum. Telluride, Colorado. February 7-15, 1998.

IPEG (International Pediatric Endosurgery Group) – IPEG 2003 Urology Hand's –On Course. Los Angeles, California. March 10, 2003.

Annual Pediatric Urology Fellows Course on Injection Therapy for Vesicoureteral Reflux. Denver, CO, 2002- Present.

### **PRO BONO**

1993 - Present	Physicians for Peace
1994 – 2002	Interplast
2004- Present	International Volunteers in Urology (IVU)
2004- Present	Friendship Bridge

### **INVITED LECTURESHIPS/ MODERATOR / VISITING PROFESSORSHIPS**

1. American College of Surgeons (Southern California Chapter). Santa Barbara, California. "Approach to the Boy with Hypospadias." January 1987.
2. American Urological Association Allied (Western Section). Kona, Hawaii. "Current Expectations in Hypospadias Surgery." February 1987.
3. Hawaii Urological Association. Honolulu, Hawaii. "The Management of Complicated Urinary Tract Infections." March 1987.
4. University of Colorado, Division of Urology. Denver, Colorado. "Considerations and Approaches to Problems in Renal Transplantation and Pediatric Urology." April 1987.

### **PRESENTATIONS / PUBLISHED ABSTRACTS:**

1. Renal Artery Aneurysms· **Koyle MA**, Karsh LI and Kearney GP. New England Section AUA. The Breakers, Florida. October 1981.
2. The Emergency Management of Patients with Ureteral Calculi and Fever· **Koyle MA**, Klein LA and Berg S. New England Section AUA. The Breakers, Florida. October 1981.
3. Management of the Kidney with Multiple Renal Arteries in Human Renal Transplantation· **Koyle MA**, Sampson D, Levin B, Barlow B, Weber P and Prewit D. Western Association of Transplant Surgeons. Phoenix, Arizona. May 1981.
4. The Stented Extravesical Ureteroneocystostomy in Renal Transplantation· **Koyle MA**, Sampson D, Levin B, Bartlow B, Weber P and Prewit D. XIX Congress Societe Internationale of Urologie. San Francisco, California. September 1982.
5. Current Experience with Renal Percutaneous Transluminal Angioplasty· **Koyle MA**, Harrington D, Bettman MA and Richie JP. New England Section AUA. Southampton Princess Hotel, Bermuda. September 1983.
6. Management of Ureteropelvic Junction Obstruction in the Neonate· **Koyle MA** and Ehrlich RM. Western Section AUA. Anaheim, California. July 1985.
7. The Outcome of the Cyclosporine Treated Cadaveric Renal Transplant Recipient with Prolonged Initial Nonfunction· **Koyle MA**, Rajfer J, Glassock RJ and Ward HJ. National Kidney Foundation, 15th Annual Scientific Meeting. New Orleans, Louisiana. December 1985.
8. Prolonged Initial Nonfunction in the Cadaveric Renal Allograft Recipient on Cyclosporine· **Koyle MA**, Rajfer J, Glassock RJ and Ward HJ. The American College of Surgeons

(Southern California Chapter). Palm Springs, California. January 1986.

9. Wound Infection in the Renal Transplant Recipient· **Koyle MA**, Ward HJ, Twomey P, Glassock RJ and Rajfer J. At the American College of Surgeons (Southern California Chapter). Palm Springs, California. 1986.
10. Dosimetry Considerations in Patients with Renal Pathology. Marcus CS and **Koyle MA**. The Radiopharmaceutical Dosimetry Symposium. Oak Ridge, Tennessee. 1986.
11. The Current Role of PreTransplant Blood Transfusion and Tissue Typing in Renal Transplantation· **Koyle MA**, Rajfer J, Glassock RJ and Ward HJ. The American Urological Association Meeting. New York, New York. May 1986.
12. Radiation Absorbed Dose Profiles in Renal Transplant Patients· Marcus CS and **Koyle MA**. The Society of Nuclear Medicine 33rd Annual Meeting. Washington D.C. June 1986.
13. Evaluation of Acute Tubular Necrosis by Factorial Analysis of Renal Perfusion in Kidney Transplants· Darcourt J, Mena IG, **Koyle MA**, Philippe L and Marcus CS. The Society of Nuclear Medicine. Washington D.C. June 1986.
14. In-III Platelet Imaging in Renal Transplant Patients on Cyclosporine A. Marcus CS, **Koyle MA** and Darcourt J. The Society of Nuclear Medicine. Washington D.C. June 1986.
15. Salvage of Renal Transplants Utilizing Vesicopyelostomy· Rajfer J, **Koyle MA**, Ehrlich RM and Smith RB. The Western Section AUA. Seattle, Washington. July 1986.
16. The Bladder Mucosa Graft - An Innovative Approach to Urethral Reconstruction· **Koyle MA** and Ehrlich RM. The Western Section AUA. Seattle, Washington. July 1986.
17. Results of Cadaveric Renal Transplantation Using Cyclosporine· **Koyle MA**, Ward HJ, Twomey PA, Dumke A, Glassock RJ and Rajfer J. Western Section AUA. Seattle, Washington. July 1986.
18. Outcome of Renal Transplantation in Blacks· Ward HJ, **Koyle MA**, Terasaki PI and Cecka JM. The XI International Congress of the Transplantation Society. Helsinki, Finland. August 1986.
19. Cyclosporine in Cadaveric Renal Transplantation - A Comparison of Two Immunosuppressive Protocols· **Koyle MA**, Glassock RJ, Rajfer J and Ward HJ. The XI International Congress of the Transplantation Society. Helsinki, Finland. August 1986.
20. Cyclosporine Inhibits Testosterone Biosynthesis· **Koyle MA**, Sikka SC, Rivera F, Lemmi CA, Connor J and Rajfer J. The American College of Surgeons. New Orleans, Louisiana. October 1986.
21. Effect of Radiation on Testicular Steroidogenesis in the Rat· Agatstein EH, Sikka SC, Lax J,

- Koyle MA** and Rajfer J. The American College of Surgeons. New Orleans, Louisiana. October 1986.
22. The Bladder Mucosa Graft - A Valuable Technique Revisited· **Koyle MA** and Ehrlich RM. The American Academy of Pediatrics, Section on Urology. Washington D.C. November 1986.
23. Association Between Abdominal Wall Defects and Cryptorchidism· Kaplan LM, **Koyle MA**, Kaplan GW, Farrer JH and Rajfer J. The American Academy of Pediatrics, Section on Urology. Washington D.C. November 1986.
24. Cadaveric Renal Transplantation - Surgical Results and Expectations in the Cyclosporine Era· **Koyle MA**, Ward HJ, Sender MB, Klein SR and Rajfer J. The American College of Surgeons (Southern California Chapter). Santa Barbara, California. January 1987.
25. Cyclosporine Inhibits Testosterone Biosynthesis in the Rat Testis· **Koyle MA**. The Western Section AUA. Kona, Hawaii. February 1987.
26. Ureteroscopic Stone Extraction (USE): Experience with 121 Consecutive Patients· Sender MB, Neal P and **Koyle MA**. The Western Section AUA. Kona, Hawaii. February 1987.
27. Testicular Rupture: The Limitations of Preoperative Investigations Upon Operative Decisions· Zimmern PE, Lupu AN, Royce PL, Zappala SM and **Koyle MA**. The Western Section AUA. Kona, Hawaii. February 1987.
28. Patient Positioning and Other Technical Considerations Influencing the Success of ESWL Treatment in Various Patient Groups· Lupu AN, Fuchs GJ, **Koyle MA** and Chaussy CG. The Western Section AUA. Kona, Hawaii. February 1987.
29. Post-Transplant Hypertension in Blacks· Ward HJ and **Koyle MA**. The Second International Interdisciplinary Conference on Hypertension in Blacks. Atlanta, Georgia. March 1987.
30. Immunopathologic Features of de Novo Membranous Nephropathy in Renal Allografts· Ward HJ and **Koyle MA**. Joint Session of American Society of Transplant Surgeons and Transplant Surgeons. Chicago, Illinois. May 1987.
31. The Continent Ileocecal Pouch in Urinary Diversion· **Koyle MA**, Sender MB, and Zimmern P. Canadian Urodynamic Professionals Meeting. Banff, Alberta. June 1987.
32. Decreasing Initial Hospitalization of the Cyclosporine Treated Renal Allograft Recipient is Safe· **Koyle MA**, Sender MB, Glasscock RJ, Rajfer J and Ward HJ. The Second International Congress on Cyclosporine. Washington, D.C. November 1987.
33. Infection Patterns in Cyclosporine Treated Cadaveric Renal Transplant Recipients· Sender

- MB, Ward HJ, Rajfer J and **Koyle MA**. The Second International Congress on Cyclosporine. Washington, D.C. November 1987.
34. Effect of Cyclosporine on the Hypothalamic-Pituitary Axis· Sikka SC, Bhasin S, Swerdloff RS, Coy DC, **Koyle MA** and Rajfer J. The Second International Congress on Cyclosporine. Washington D.C. November 1987.
35. Erythropoiesis and Radioimmunoassayable Recombinant Human Erythropoietin in Renal Transplant Recipients· Sun CH, Paul W, Ward HJ, **Koyle MA** and Lee DBN. The American Society of Nephrology. Washington D.C. December 1987.
36. The Surgical Management of Boys with Complicated Hypospadias· **Koyle MA** and Ehrlich RM. The Western Section AUA. San Francisco, California. March 1988.
37. Abdominal Wall Reconstruction for Prune Belly Syndrome· Ehrlich RM, **Koyle MA** and Lesavoy MA. The Western Section, AUA. San Francisco, California. March 1988.
38. Flow Cytometry Crossmatching in Cadaveric Renal Transplantation: Is It Necessary?· **Koyle MA**, Ward HJ, Sender MB, Terasaki PI, Glasscock RJ and Cook DJ. The American Urological Association. Boston, Massachusetts. June 1988.
39. Early Discharge of the Renal Transplant Patient with Immediate Nonfunction is Both Safe and Cost-Effective· Rosen MA, MacFarlane MT, Ward HJ, Sender MB, Rajfer J and **Koyle MA**. The American Urological Association. Boston, Massachusetts. June 1988.
40. The Hypoandrogenic Effect of Cyclosporine is Reversible· Sikka S, **Koyle MA**, Swerdloff RS and Rajfer J. The American Urological Association. Boston, Massachusetts. June 1988.
41. The Effects of Ischemia on Cadaveric Renal Transplants Receiving Cyclosporine· MacFarlane MT, Rosen MA, Ward HJ, Sender MB, Rajfer J and **Koyle MA**. The American Urological Association Meeting. Boston, Massachusetts. June 1988.
42. Erythropoietin in Renal Transplant Recipients: Studies Based on Recombinant Human Erythropoietin Radioimmunoassay· Ward HJ, Sun CH, Paul WL, **Koyle MA**, Yanagawa N and Lee DBN. The XII International Congress of the Transplant Society. Sydney, Australia. August 1988.
43. Incidence and Patterns of Venous Thromboembolic Complication in Cyclosporine Treated Renal Allografts Recipients· White GH, **Koyle MA**, Ward HJ, Sender M and Rajfer J. The XII International Congress of the Transplant Society. Sydney, Australia. August 1988.
44. An Approach to the Renal Transplant Recipient with Persistent One Month Graft Nonfunction· Gritsch HA, Ward HJ, Sender MB, Rajfer J and **Koyle MA**. The XII International Congress of the Transplant Society. Sydney, Australia. August 1988.
45. Prolonged Cold Storage and the Cadaveric Kidney Transplant Recipient Receiving

- Cyclosporine· **Koyle MA**, MacFarlane MT, Rosen M, Ward HJ, Sender MB and Rajfer J. The XII International Meeting of the Transplant Society. Sydney, Australia. August 1988.
46. Complications of Bladder Mucosa Graft· Ehrlich RM, **Koyle MA**, Reda EF, Kogan SJ and Levitt SB. The American Academy of Pediatrics, Section on Urology. San Francisco, California. October 1988.
47. Hemorrhagic Pancreatitis in the Cyclosporine Treated Renal Transplant Patient· Hori G, **Koyle MA**, Ward HJ, Rosenthal JT, Sender MB, Danovitch G, Barba L and Rajfer J. The American College of Surgeons (Southern California Chapter). Palm Springs, California. January 1989.
48. Genital Agenesis - A Fatal Lesion· **Koyle MA** and Clark RD. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
49. Continent Urinary Diversion: Various Uses of the Ileocecal Segment· **Koyle MA**, Zimmern P and Sender MB. The American Urological Association, Western Section. Phoenix, Arizona. 1989.
50. Balloon Catheter Control of Renal Transplant Arterial Hemorrhage· **Koyle MA**, Mehringer HM, Rajfer J and Klein SR. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
51. A Case of Squamous Cell Carcinoma Masquerading as Xanthogranulomatous Pyelonephritis· Sender MB, Frasier B, Houston S, **Koyle MA** and Hurwitz RS. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
52. Malignant Renal Vascular Hypertension in a Child Managed by Aorta-Renal Bypass: A Case Report and Literature Review· Jacobs MA, **Koyle MA** and Hurwitz RS. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
53. The Effect of Hypoprolactinemia and Cyclosporine on Cardiac Allograft Survival· Wilner M, **Koyle MA**, Ettenger RM and Rosenthal JT. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
54. En Bloc Transplantation of Cadaveric Kidneys - 24 Months of Age· Frazier B, **Koyle MA**, Sender MB, Rajfer J and Ward HJ. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
55. Complications of Bladder Mucosal Grafts in Complicated Hypospadias· Ehrlich RM and **Koyle MA**. The American Urological Association, Western Section. Phoenix, Arizona. March 1989.
56. Why Waste En Bloc Pediatric Kidneys?· **Koyle MA**, Rajfer J, Sender MB, Barba L and Ward HJ. The American Urological Association. Dallas, Texas. May 1989.

57. Delayed Graft Function and Cyclosporine in the Cadaveric Renal Allograft· **Koyle MA**, Gritsch HA, Ward HS, Sender MB, Barba L and Rajfer J. The American Urological Association. Dallas, Texas. May 1989.
58. Inhibition of Renal Mitochondrial Succinate-CA Reductase (Complex II) by Cyclosporine A· Lemmi CA, Pelikan PC, Geesaman B, Seamon E, **Koyle MA** and Rajfer J. The American Urological Association. Dallas, Texas. May 1989.
59. The Effect of Hypoprolactinemia on Allograft Rejection· Wilner M, Ettenger RB, **Koyle MA** and Rosenthal JT. The American Society of Transplant Surgeons. Chicago, Illinois. May 1989.
60. The Necessity of Contralateral Surgical Exploration in Wilms' Tumor with Modern Noninvasive Imaging Techniques: A Reassessment· Koo AS, **Koyle MA**, Weese D, Fonkalsrud EW, Appelbaum H, Hurwitz RS and Ehrlich RM. The American Academy of Pediatrics, Section on Urology. Chicago, Illinois. October 1989.
61. Nephrogenic Rests in Wilms' Tumor Patients with Denys-Drash Syndrome· Heppe RM, **Koyle MA** and Beckwith JB. The American Urological Association. New Orleans, Louisiana. May 1990.
62. An Unusual Abdominal Mass in a Neonate· Pfister RR, Chang J, Caldwell S and **Koyle MA**. Sixty Fourth Annual Meeting of the North Central Section of the American Urological Association. Colorado Springs, Colorado. October 1990.
63. Ventral Preputial Onlay Island Flap and Proximal Flip-Flap Technique for the Repair of Epispadias· Sutherland R, **Koyle MA** and Pfister RR. South Central Section of the American Urological Association. Maui, Hawaii. November 1991.
64. Improved Allograft Survival Using En Bloc Renal Transplant from Pediatric Donors Less Than 14 Kg - Technical and Immunologic Considerations· Bretan PN, **Koyle MA**, Singh K, Sender M and Rajfer J. American Urological Association. Washington, D.C. May 1992.
65. Kidney Salvage by Portal Venous Decompression· Karrer FM, **Koyle MA**, Caldwell S and Stork L. American Pediatric Surgical Association. Colorado Springs, Colorado. May 1992.
66. Prune Belly Total Abdominal Reconstruction· **Koyle MA**, Pfister RR, Galansky SH and Ehrlich RM. Canadian Urological Association. Winnipeg, Manitoba. June 1992.
67. New Approaches to Bladder and Neobladder Construction· **Koyle MA** and Pfister RR. Ninth Congress of the International Pediatric Nephrology Association. Jerusalem, Israel. August 1992.
68. The Evolution of Pediatric Laparoscopy in Clinical Practice· **Koyle MA**, Pfister RR and Kavoussi LR. South Central Section of the American Urological Association. Galveston, Texas. October 31-November 3, 1992.

69. Vaginal Germ Cell Tumor in 15 Month Old Female· Mayer F, **Koyle MA**, Odom LF, Goldman F and Edwardson M. South Central Section of the American Urological Association. Galveston, Texas. October 31-November 3, 1992.
70. Bladder Reconstruction with the Dilated Ureter for Renal Transplantation· **Koyle MA**, Karrer FM, Kam I, Ford D and Lum G. First International Congress on Pediatric Transplantation. Minneapolis, Minnesota. August 29-September 1, 1993.
71. Cerebrovascular Accident Following Simple Transfusion for Priapism in Sickle Cell Disease· Hartman D, **Koyle MA** and Lane P. South Central Section of the American Urological Association. Acapulco, Mexico. October 2 - 7, 1993.
72. Percutaneous Removal of Stones from Augmented Bladders· Talley D, **Koyle MA** and Chandhoke P. South Central Section of the American Urological Association. Acapulco, Mexico. October 2 - 7, 1993.
73. Bilateral Multifocal Renal Cell Carcinoma in a Young Girl· Ruyle S, Hartman D and **Koyle MA**. South Central Section of the American Urological Association. Acapulco, Mexico. October 2 - 7, 1993.
74. The Role of Laparoscopy in the Patient with Previous Negative Inguinal Exploration for Impalpable Testis· **Koyle MA**, Pfister RR, Jordan GH, Winslow BH and Ehrlich RM. American Urological Association. San Francisco, California. May 14-19, 1994.
75. "Urothelial" Bladder Augmentation Techniques in the Incontinent Pediatric Patient· **Koyle MA**, Pfister RR, Kaji DM and Limoge JP. South Central Section of the American Urological Association. Vancouver, British Columbia. August 26-30, 1994.
76. The Endoscopic Correction of Vesicoureteral Reflux by Subureteric Injection of Polytetrafluoroethylene: The Children's Hospital Experience, Denver, Colorado· Levin RM, Pfister RR and **Koyle MA**. South Central Section of the American Urological Association. Vancouver, British Columbia. August 26-30, 1994.
77. The Malone Antegrade Continence Enema (ACE) for Neurogenic and Structural Fecal Incontinence· **Koyle MA** and Kaji DM. American Academy of Pediatrics / Urology Section. Dallas, Texas. October 22-25, 1994.
78. The Retroperitoneal Approach to Laparoscopic Renal Surgery in the Pediatric Patient· **Koyle MA**, Chandhoke P and Galansky S. American Academy of Pediatrics / Urology Section. Dallas, Texas. October 22-25, 1994.
79. Epidural Analgesia in Postoperative Pediatric Urology Patients Shortens Hospital Stay· Agarwal R, Duque M, Foster RL and **Koyle MA**. American Academy of Pediatrics / Anesthesia Section. Phoenix, Arizona. February 16-21, 1995.

30. TIPU Hypospadias Repair· Manzoni GA and **Koyle MA**. European Society of Paediatric Urology. Madrid, Spain. April 25-27, 1995.
31. Tubularized, Incised Plate (TIP) Hypospadias Repair - Results of a Multicenter Experience· Snodgrass W, **Koyle MA**, Manzoni G, Hurwitz R, Caldamone A, Kaji D and Ehrlich R. American Academy of Pediatrics, Section on Urology. San Francisco, California. October 14-18, 1995.
32. The Kropp Bladder Neck Reconstruction and Its Variations in the Incontinent Patient with Neurogenic Bladder· **Koyle MA** and Waxman S. Seventh Annual European Society of Paediatric Urology. London, England. March 20-22, 1996.
33. Dual Applications of the Appendix in Patients Requiring Coincidental MACE and Mitrofanoff Procedures. **Koyle MA** and Waxman S. Seventh Annual European Society of Paediatric Urology. London, England. March 20-22, 1996.
34. Applications and Modifications of the Malone Antegrade Continence Enema (MACE) With Coincidental Urinary Tract Reconstruction: The Dual Role of the Appendix· **Koyle MA** and Waxman S. American Urological Association. Orlando, Florida. May 2-8, 1996.
35. The Kropp Bladder Neck Reconstruction and its Variation in the Incontinent Patient with Neurogenic Bladder· **Koyle MA**. American Academy of Pediatrics, Section on Urology. Boston, Massachusetts. October 26-28, 1996.
36. Tubularized Incised Plate Urethroplasty for Proximal Hypospadias· Snodgrass WT, **Koyle MA**, Manzoni GM, Hurwitz RS, Caldamone AA and Ehrlich RM. American Academy of Pediatrics, Section on Urology. Boston, Massachusetts. October 26-28, 1996.
37. Applications and Modification of the Malone Antegrade Continence Enema (MACE) with Coincidental Urinary Tract Reconstruction: The Dual Role of the Appendix· **Koyle MA**, Waxman SW, Duque M, Johnstone M, Terry T and Ehrlich RM. Eighth Annual European Society of Paediatric Urology. Rome, Italy. April 3-5, 1997.
38. Current Perspectives in Vaginal Reconstruction· **Koyle MA**. Eighth Annual European Society of Paediatric Urology. Rome, Italy. April 3-5, 1997.
39. Replacement Techniques for Vaginal Absence in the Pediatric and Adolescent Population· **Koyle MA**. American Urological Association. New Orleans, Louisiana. April 12-17, 1997.
40. Transversely Tubularized Ileal Segments for the Mitrofanoff or MACE Procedures: The Monti Principle· Sugarman ID, Malone PS, Terry TR and **Koyle MA**. European Society of Paediatric Urology. Salzburg, Austria. April 16-18, 1998.
41. Vesicoureteral Reflux After Ureteroneocystostomy Indications for Postoperative Voiding Cystography· Lavigne MA, Siddiq FM, Cahn DJ, **Koyle MA** and Caldamone AA. American Academy of Pediatrics. San Francisco, California. October 16-21, 1998.

92. A "Tailored" Surgical Approach to the Palpable Cryptorchid Testis· **Koyle MA**, Walsh RA and Caruso AP. European Society for Pediatric Urology. Istanbul Turkey. April 15-17, 1999.
93. The Single Incision "Bianchi" Technique for the Palpable Undescended Testis· Caruso AP, Walsh RA, Wolach J and **Koyle MA**. The Society for Pediatric Urology / America Urological Association. Dallas, Texas. May 1999.
94. Multi-Institutional Analysis of Laparoscopic Orchidopexy· Docimo SG, Baker LA, Peters C, Caldamone A, **Koyle MA**, Moore R, Mevorach R, Brady J, Jordan G, Erhard M, Surer I and Franco I. 17<sup>th</sup> World Congress on Endourology and SWL. Rhodes, Greece. September 2-5, 1999.
95. Current Perspectives in Vaginal Reconstruction· **Koyle MA**. 78th Annual Meeting South Central Section of the American Urological Association. Santa Fe, New Mexico. September 25-29, 1999.
96. Kidney Transplantation in Children with Urinary Diversion or Bladder Augmentation· Hatch D, **Koyle MA**, Baskin LS, Zaonta MR, Burns MW, Tarry WF, Belitsky P and Taylor RJ. ESPU-AAP 2000 Joint Meeting. Tours, France. June 7-10, 2000.
97. Multi-Institutional Analysis of Laparoscopic Orchidopexy· Docimo SG, Baker LA, Peters C, Caldamone A, **Koyle MA**, Moore R, Mevorach R, Brady J, Jordan G, Erhard M, Surer I and Franco I. ESPU-AAP 2000 Joint Meeting. Tours, France. June 7-10, 2000.
98. Synchronous Bladder Reconstruction and ACE Procedure· Malone P, Wedderburn A, Steinbrecher H, Denny A and **Koyle MA**. ESPU-AAP 2000 Joint Meeting. Tours, France. June 7-10, 2000.
99. The Extraperitoneal Placement of Renal Allografts in Children Less Than 15 Kilograms Body Weight· Grampsas SA, **Koyle MA**, Karrer FM and Furness III PD. The First Congress of the International Transplant Association. Venice, Italy. August 23-25, 2000.
00. Long Term Urological Complications in Survivors of Childhood Stage IV Abdominal Neuroblastomas· **Koyle MA**, Grampsas SA, Odum L and Furness III PD. The 79<sup>th</sup> Annual Meeting of the South Central Section of the American Urological Association, Incorporated. Montreal, Quebec. September 9-11, 2000.
01. The Extraperitoneal Placement of Renal Allografts in Children Less Than 15 Kilograms Body Weight· Grampsas SA, **Koyle MA**, Karrer FM and Furness III PD. The 79<sup>th</sup> Annual Meeting of the South Central Section of the American Urological Association, Incorporated. Montreal, Quebec. September 9-11, 2000.
02. Long Term Urological Complications in Survivors of Childhood Stage IV Abdominal Neuroblastomas· **Koyle MA**, Grampsas SA, Odum L and Furness III PD. American

- Academy of Pediatrics 2000 Meeting. Chicago, Illinois. October 27–November 1, 2000.
03. The Extraperitoneal Placement of Renal Allografts in Children Less Than 15 Kilograms Body Weight. Grampsas SA, **Koyle MA**, Karrer FM and Furness III PD. American Academy of Pediatrics 2000 Meeting. Chicago, Illinois. October 27–November 1, 2000.
  04. Laparoscopic Varicocele Ligation in Children and Adolescents. **Koyle MA**, Barqawi A and Furness III PD. 10<sup>th</sup> Congress for Endosurgery in Children, sponsored by IPEG. Brisbane, Australia. March 22-24, 2001.
  05. Laparoscopic Varicocelectomy in Adolescents is Safe Post Ipsilateral Inguinal Surgery. Barqawi A, Furness III PD and **Koyle MA**. British Association of Urological Surgeons Annual Meeting 2001. Dublin, Ireland. June 25-29, 2001.
  06. Laparoscopic Varicocelectomy in Adolescents is Safe After Prior Ipsilateral Inguinal Surgery. **Koyle MA**, Barqawi A and Furness III PD. 80<sup>th</sup> Annual Meeting of the South Central Section, American Urological Association. Austin, Texas. September 8-12, 2001.
  07. Males With Down's Syndrome and the Nonneurogenic Neurogenic Bladder. **Koyle MA**, Checa G and Furness III PD. 80<sup>th</sup> Annual Meeting of the South Central Section of the American Urological Association. Austin, Texas. September 8-12, 2001.
  08. New Perspectives in the Therapy of Vaginal Germ Cell Tumors. Handel L, Giller R, Greffe B, Lovell M and **Koyle MA**. 80<sup>th</sup> Annual Meeting, South Central Section of the American Urological Association. Austin, Texas. September 8-12, 2001.
  09. The Use of Small Intestinal Submucosa (SIS) for Corporal Body Grafting in Cases of Severe Penile Curvature. Kropp BP, Cheng EY, Pope IV JC, Brock III JW and **Koyle MA**. 2001 AAP National Conference and Exhibition. San Francisco, California. October 2001.
  10. Vaginal Bleeding and Discharge in Girls Less Than 6 Years: Evaluations, Findings, and Recommendations. **Koyle MA**, Lovell M and Furness III PD. 2001 AAP National Conference and Exhibition. San Francisco, California. October 2001.
  11. The Use of Small Intestinal Submucosa (SIS) as an "Off the Shelf" Urethral Sling Material for Pediatric Urinary Incontinence. Kropp BP, Colvert III JR, Austin P, Cheng EY, Pope IV JC, Brock III JW, Adams MC, Furness III PD and **Koyle MA**. 2001 AAP National Conference and Exhibition. San Francisco, California. October 2001.
  12. Laparoscopic Varicocele Ligation: Are There Advantages Compared to the Microscopic Subinguinal Approach? McManus MC, Meacham RB, Barqawi A, Furness PD, and **Koyle MA**. Centennial Celebration of the American Urological Association Annual Meeting. Orlando, Florida. May, 2002.
  13. The Role of Laparoscopy in the Patient with Previous Negative Inguinal Exploration for Impalpable Testis. Barqawi A, Blythe B, Jordan G, Ehrlich R and **Koyle M**. Annual Meeting

of the British association of Urological Surgeons. Glasgow, Scotland. June, 2002.

4. Lessons Learned from Children with Catheterisable Stomas. Barqawi A, Lowe J, Furness P and **Koyle M**. Annual Meeting of the British association of Urological Surgeons. Glasgow, Scotland. June, 2002.
5. Noncompliance, Continent Urinary Reconstruction and the Stapled Bowel Anastomosis: A Recipe for Fistula. Sorensen, C, Lowe J, Barqawi A, Furness III PD and **Koyle MA**. 81st Annual Meeting of the South Central Section of the American Urological Association, Colorado Springs, CO. October, 2002.
6. Pediatric Renal Transplantation: A Single Center Experience. Hendrickson RJ, Karrer FM, **Koyle MA**, Lum G, Ford, D, Bak T, Wachs M, Orban-Eller K, Dovel D, Furness P, Kam I. 2<sup>nd</sup> Congress of the International Pediatric Transplant Association, Rio de Janeiro, Brazil. April, 2003.
7. Treatment of Prepubertal Labial Adhesions with Betamethasone Cream. Sorensen C, **Koyle MA**, Passamaneck M, and Furness P: 82<sup>nd</sup> Annual Meeting South Central Section of the American Urological Association. Boston, MA. September, 2003.
8. Perinatal Extravaginal Torsion of the Testicle in the First Month of Life is a Salvageable Event. Sorensen M, Galansky S, Striegl A, Mevorach R, and **Koyle M**: 82<sup>nd</sup> Annual Meeting South Central Section of the American Urological Association. Boston, MA. September, 2003.
9. Review of Testicular and Paratesticular Tumors at a Single Institution. Brant W, Rajimwale A, Furness III P, and **Koyle M**: 82<sup>nd</sup> Annual Meeting South Central Section of the American Urological Association. Boston, MA. September, 2003.
20. The Challenge of Salvaging Pediatric Kidneys That Have Sustained Unique Grade V Injuries: S Oottamasathien, **Koyle M**, Furness III P, Barsness K, Partrick D, Bensard D and Karrer F. 82<sup>nd</sup> Annual Meeting South Central Section of the American Urological Association. Boston, MA. September, 2003.
21. Foreskin Preservation in Penile Surgery: Snodgrass WT, **Koyle MA**, Baskin LS and Caldamone AA: 72<sup>nd</sup> Annual Meeting New England Section of the American Urological Association. Mont Tremblant, PQ, Canada. September, 2003.
22. Vaginal Replacement in Children and Young Adults: Brant WO, Rajimwale A, Furness III PD and **Koyle MA**. Owen H Wangenstein Surgical Forum -2003 Clinical Congress of the American College of Surgeons. Chocago, Il. October, 2003.
23. Perez-Brayfield MR, Kirsch AJ, Hensle TW, **Koyle MA**, Furness P and Scherz HC: The Use of Endoscopic Treatment With Dextranomer/Hyaluronic Acid for Complex Cases of Vesicoureteric Reflux. 2003 AAP National Conference and Exhibition. New Orleans, LA. October, 2003.

24. Rajimwale A, Lovell M, Furness P, Brant WO, Travers S and **Koyle MA**: Gonadoblastoma and Turners Syndrome. 2003 AAP National Conference and Exhibition. New Orleans, LA. October, 2003.
25. **Koyle MA**, Oottamasathien S, Barqawi AZ, Rajimwale A and Furness III PD: Laparoscopic Palomo Varicocele Ligation: Results in 103 Consecutive Cases. 2003 AAP National Conference and Exhibition. New Orleans, LA. October, 2003.
26. Snodgrass WT, **Koyle MA**, Baskin LS, and Caldamone AA: Foreskin Preservation in Penile Surgery. Annual Meeting of the American Urological Association. San Francisco, CA. May, 2004.
27. Perez-Brayfield MR, Kirsch AJ, **Koyle MA**, and Scherz HS: The Treatment of Catherizable Stoma Incontinence with Endoscopic Implantation of Dextranomer/Hyaluronic Acid. Annual Meeting of the American Urological Association. San Francisco, CA. May, 2004.
28. Lieber JM, Huicho L, Torres A, Cortes Gudino FJ, Skoog SJ, **Koyle MA**, Perroncel R, Cihon CA, Cyrus P, and Kowalsky SF: A Prospective Randomized, Double-Blind Study Comparing Ciprofloxacin vs Control for Pediatric Patients with Complicated Urinary Tract Infections or Pyelonephritis. Annual Meeting of the American Urological Association. San Francisco, CA. May, 2004.
29. Carlsen S, Maroni P, and **Koyle MA**: Ten Years of Pediatric Renal Tumors at a Tertiary Referral Center. 83<sup>rd</sup> Annual Meeting of the South Central Section of the American Urological Association, Dublin, Ireland. September, 2004.
30. **Koyle MA**: Dermabond Alone as a Dressing in Open Pediatric Urological Surgery. 27<sup>th</sup> Annual Meeting, Societe Internationale d'Urologie. Honolulu, Hawaii. October, 2004.
31. DeFoor W, Minevich E, Reddy P, Barqawi A, Sheldon C, and **Koyle M**: Perforation of Continent Cecostomy (ACE): Diagnosis and Management. 2004 National Conference and Exhibition of the American Academy of Pediatrics. San Francisco, California. October, 2004.
32. Elder JS, Diaz M, Caldamone AA, Cendron M, Greenfield S, Hurwitz R, Kirsch A, **Koyle MA**, Pope J, and Shapiro E: Endoscopic Therapy for Vesicoureteral Reflux: A Meta-analysis. 2004 National Conference and Exhibition of the American Academy of Pediatrics. San Francisco, California. October, 2004.
133. Chacko J, Furness P, and **Koyle MA**: The minimally invasive open pyeloplasty. Joint Meeting of the European Society of Pediatric Urology and the American Academy of Pediatrics. Uppsala, Sweden. June, 2005.
134. Caldamone A, Higham- Kessler J, Snodgrass W, **Koyle M**, Hensle T, Hurwitz R, Cendron M,

and Diamond D: A review of failures of endoscopic treatment of vesicoureteral reflux with dextranomer macrospheres. Joint Meeting of the European Society of Pediatric Urology and the American Academy of Pediatrics. Uppsala, Sweden. June, 2005.

135. Passamaneck M, **Koyle M**, Furness III P, and Sorensen C: Treatment of prepubertal labial adhesions with betamethasone cream. Joint Meeting of the European Society of Pediatric Urology and the American Academy of Pediatrics. Uppsala, Sweden. June, 2005.
  
136. Kitchens D, Minevich E, Reddy P, DeFoor W, Wacksman J, Sheldon C, and **Koyle M**: Endoscopic injection of Deflux to correct vesicoureteral reflux following failed ureteroneocystostomy. American Academy of Pediatrics 2005 National Conference and Exhibition. Washington, DC. October, 2005.
